

MEDICAL MUTUAL OF OHIO®
Your healthcare partner since 1934

Alliance of Ohio Chambers Plan

Your Trusted Healthcare Partner

Medical Mutual of Ohio and your area Chamber of Commerce have teamed up to provide you with the healthcare benefits traditionally found at larger companies.

The Alliance of Ohio Chambers Plan partners your company with other chamber member companies that employ two or more people, giving you the opportunity to obtain competitive rates.

With your chamber membership, you have access to competitive rates with Medical Mutual® health plans. Your broker can help you find a comprehensive, cost-effective plan that meets your needs.

Why choose Medical Mutual of Ohio?

Medical Mutual is the state's oldest and largest health-insurance company and offers:

- Competitive prices and excellent product selections.
- Access to Ohio's largest network of doctors and hospitals.
- Responsive customer service—2,500 employees who live and work where you do, right here in Ohio.

Online Services

My Health Plan gives members instant and secure access to their health plan information, including claims status and explanations of benefits. The site was recently awarded a silver medal in the category of Best Overall Internet Site from eHealthcare Leadership.

Employer Link provides employers online benefit management tools such as the ability to:

- Add or drop employees or dependents.
- View reports and a transaction history.
- Order ID cards and health plan literature.

Wellness Programs

SuperWell® *Health Management Programs* from Medical Mutual encourage employees to get well and stay well by promoting healthy lifestyles and life habits.

According to the International Foundation of Employee Benefit Plans (IFEBC), there is a \$2 to \$5 return on investment for every \$1 spent on long-term comprehensive wellness and health management programs.

For more information or to see what SuperWell Programs are available, consult your broker.

Excellent Service

Members spend seconds, not minutes, waiting to speak to customer service, and nearly all inquiries are resolved on initial contact. Recent measurements show that 95 percent of all member calls are resolved on the first call.

Expert Information

WebMD® and *Healthy Outlooks* magazine provide informative articles on diet and nutrition, fitness, health issues and more.
